Thank you for participating in our PASS Racing Series. A reminder that your crew must participate in at least 4 PASS races in order to be eligible to trade your PASS Points for Prize Ballots at the end of the season. The accumulation of PASS Points is Racing Class Specific. This means your race participation total applies only to consistently rostered crews that have raced repeatedly in a specific racing class. For example, if your team has raced in two PASS races, but different racing classes, (Premier Mixed and Senior Mixed) those two teams have qualified for 1 total PASS race in each of those race classes. To ultimately collect PASS points, your crew would need to participate in at least 3 additional races in one or both (3 + 3) of those racing classes.

Congratulations to the following teams who have met the 4 PASS Race threshold !

Dragon Sisters Red
Dragon Sisters White
